

which could be a significant impact. However, this impact would be minimized by implementation of Mitigation Measure 3, in conjunction with Mitigation Measures 1 and 2.

Measure 5.6-3: The possibility of encountering human remains cannot be entirely discounted. Section 7050.5 of the California Health and Safety Code states that it is a misdemeanor to knowingly disturb a human grave. If human graves are encountered, work should halt in the vicinity and the County Coroner should be notified. At the same time, an archaeologist should be contacted to evaluate the situation. If the remains are determined to be of Native American descent, the Native American Heritage Commission (NAHC) shall be contacted within a reasonable timeframe. The NAHC will then identify the person(s) thought to be the Most Likely Descendent (MLD) of the deceased Native American. The MLD shall then make recommendations, and engage in consultations concerning the treatment of the remains as provided in PRC§ 5097.98.

5.7 Socioeconomic Conditions

The following mitigation measures are recommended for Alternatives A, B, C and D:

Problem Gambling

Measure 5.7-1:

- The Tribe will adopt a policy statement on problem gambling.
- The Tribe will contract with a gambling treatment professional to train management and staff to develop strategies for recognizing and addressing customers whose gambling behavior may strongly suggest they may be experiencing serious to severe difficulties.
- The Tribe shall refuse service to any customer whose gambling behavior convincingly exhibits indications of problem or pathological gambling.
- The Tribe shall respectively and confidentially provide the customer (as described above) with written information that includes a list of professional gambling treatment programs and self-help groups.
- The Tribe shall prominently display materials describing the risks and signs of problem and pathological gambling behaviors. Materials shall also be prominently displayed that provide information on available programs for those seeking treatment for problem and pathological gambling disorders.
- The Tribe shall implement procedures to allow for voluntary self-exclusion, enabling gamblers to ban themselves from a gambling establishment for a specific period of time.
- The Tribe will enter into an agreement with Sonoma County for an annual contribution from the Tribe to local organizations that address problem gamblers in Sonoma County. Based on the previous calculation of the expected increase in problem gamblers in Sonoma County and trends in treatment of problem gamblers, the Tribe would compensate the county social services for a minimum of equivalent to 1.4 licensed counselor positions. If the County does not have a mechanism to provide these services then the Tribe shall contribute an equivalent amount to problem gambling treatment and prevention programs which serve Sonoma County.
