

NEPA Process

The following is the NEPA Process the Tribe must follow for the Environmental Impact Statement (EIS) to complete the Fee To Trust (FTT) Application. We are at the Scoping Process.

The **Notice of Intent** is published in the Federal Register.

Issues of concern are identified through the **Scoping Process** including a public meeting.

The **Draft EIS** is prepared and published.

The **Draft EIS** is available for review for at least 45 days.

The **Final EIS** is prepared and published.

The **Record of Decision** summarizes the Agency's decision on the Proposed Action.
